

Faculty of Indian Medical System  
Department of SamhithaSiddhanta  
CharakaSamhithaUttarardha  
Theory – one paper – 100 mrks  
Lecture Hours – 200 hrs

S.L NO.	Topic	Domain	Time (Hours)
1.	RASAYAN ADHYAY	Must to Know	8
2.	VAJEEKARAN ADHYAY	Must to know	8
3.	JWAR CHIKITSITAM	Must to Know	8
4.	RAKTAPITTA	Must to Know	4
5.	GULMA	Must to Know	3
6.	PRAMEH	Must to Know	4
7.	KUSHTHA	Must to Know	5
8.	RAJYAKSHMA	Must to Know	4
9.	UNMAAD	Must to Know	4
10.	APASMAAR	Must to Know	4
11.	KSHATAKSHINA	Must to Know	3
12.	KSHAVATHU	Must to Know	3
13.	UDARA	Must to Know	6
14.	ARSHA	Must to Know	4
15.	GRAHANI	Must to Know	5
16.	PAANDUROGA	Must to Know	5
17.	HIKKA-SHWAAS	Must to Know	6
18.	KAASA	Must to Know	4
19.	ATISAARA	Must to Know	4
20.	CHHARDI	Must to Know	4
21.	VISARPA	Must to Know	4
22.	TRISHNAROGA	Must to Know	4

23.	VISHA	Must to Know	5
24.	MADATYAYA	Must to Know	5
25.	DWIVARNIYA	Must to Know	4
26.	TRIMARMIYA	Must to Know	9
27.	URUSTAMBHA	Must to Know	4
28.	VAAT-VYADHI	Must to Know	8
29.	VAAT-SHONITA	Must to Know	4
30.	YONI-VYAPAT	Must to Know	7
31.	MADAN-KALP	Nice to Know	1
32.	JEEMUTAK	Nice to Know	1
33.	IKSHVAKU	Nice to Know	1
34.	DHAMARGAV	Nice to Know	1
35.	VATSAK	Nice to Know	1
36.	KRITVEDHAN	Nice to Know	1
37.	SHYAMA-TRIVRITT	Nice to Know	1
38.	CHATURA-ANGULA	Nice to Know	1
39.	TILVAK	Nice to Know	1
40.	SUDHA	Nice to Know	1
41.	SAPTALA- SHANKHINI	Nice to Know	1
42.	DANTI-DRAVANTI	Nice to Know	1
43.	KALPANA-SIDHHI	Must to Know	4
42.	PANCHA-KARMIYA	Must to Know	3
43.	VASTI-SUTRIYA	Must to Know	4
44.	SNEHA-VYAPADIKI	Must to Know	<b>3</b>
45.	NETRA-VASTI-VYAPADIKI	Must to Know	3
46.	VAMAN-VIRECHAN-VYAPAT	Must to Know	3

47.	VASTI-VYAPAT	Must to Know	3
48.	PRASRIT-YOGIKA	Nice to Know	3
49.	TRIMARMIYA	Must to Know	3
50.	VASTI-SIDHHI	Must to Know	3
51.	PHAL-MATRA	Nice to Know	3
52.	UTTAR-VASTI	Nice to Know	3

### CURRICULUM PLANNING

S.L NO.	Topic	Learning objectives	Teaching guidelines	Methodology	Time (Hours)
1.	RASAYAN ADHYAY	Explain the concept of Rasayan, various kinds and its practical utility.	Synonyms Definition Types Sevan- vidhi Benefits	Didactic Power point Presentation Problem Based Learning Students Seminar	8
2.	VAJEEKARAN ADHYAY	Explain the concept of vajeekaran, various kinds and its utility.	Synonyms Definition Types Sevan- vidhi Benefits	Didactic Power point Presentation Problem Based Learning	8
3.	JWAR CHIKITSITAM	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana Chikitsa Siddhant Yog	Didactic Power point Presentation Problem Based Learning	8
4.	RAKTAPITTA	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana Chikitsa Siddhant Yog	Didactic Power point Presentation Problem Based Learning	4

5.	GULMA	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem Students SeminarBasedLe arning	3
6.	PRAMEH	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	4
7.	KUSHTHA	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	5
8.	RAJYAKSHMA	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Students Seminar Problem BasedLearning	4
9.	UNMAAD	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	4
10.	APASMAAR	Explain the disease, types, causation pathology and line of	Etymology Definitions Synonyms Types Causes	Didactic Power point Presentation Problem BasedLearning	4

		treatment	Pathology Lakshana ChikitsaSiddhant Yog		
11.	KSHATAKSHIN A	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	3
12.	KSHAVATHU	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	3
13.	UDARA	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Students Seminar Problem BasedLearning	6
14.	ARSHA	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	4
15.	GRAHANI	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	5
16.	PAANDUROGA	Explain the disease, types,	Etymology Definitions	Didactic Power point	5

		causation pathology and line of treatment	Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Presentation Problem Based Learning Students Seminar	
17.	HIKKA-SHWAAS	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem Based Learning	6
18.	KAASA	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem Based Learning	4
19.	ATISAARA	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem Based Learning	4
20.	CHHARDI	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem Based Learning	4
21.	VISARPA	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant	Didactic Power point Presentation Students Seminar Problem Based Learning	4

			Yog		
22.	TRISHNAROGA	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	4
23.	VISHA	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	5
24.	MADATYAYA	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	5
25.	DWIVARNIYA	Explain the disease, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Students Seminar Problem BasedLearning	4
26.	TRIMARMIYA	Explain the diseases, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	9
27.	URUSTAMBHA	Explain the diseases, types, causation pathology and	Etymology Definitions Synonyms Types	Didactic Power point Presentation Problem	4

		line of treatment	Causes Pathology Lakshana ChikitsaSiddhant Yog	BasedLearning	
28.	VAAT-VYADHI	Explain the diseases, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	8
29.	VAAT-SHONITA	Explain the diseases, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	4
30.	YONI-VYAPAT	Explain the diseases, types, causation pathology and line of treatment	Etymology Definitions Synonyms Types Causes Pathology Lakshana ChikitsaSiddhant Yog	Didactic Power point Presentation Problem BasedLearning	7
31.	MADAN-KALP	Discuss the introduction of dravaya along its uses and yog	Brief introduction Synonyms Uses Yog	Didactic Power point Presentation Problem BasedLearning	1
32.	JEEMUTAK	Discuss the introduction of dravaya along its uses and yog	Brief introduction Synonyms Uses Yog	Didactic Power point Presentation Problem BasedLearning	1
33.	IKSHVAKU	Discuss the introduction of dravaya along its uses and yog	Brief introduction Synonyms Uses Yog	Didactic Power point Presentation Problem BasedLearning	1
34.	DHAMARGAV	Discuss the introduction of dravaya along	Brief introduction Synonyms Uses	Didactic Power point Presentation	1

		its uses and yog	Yog	Problem Based Learning	
35.	VATSAK	Discuss the introduction of dravaya along its uses and yog	Brief introduction Synonyms Uses Yog	Didactic Power point Presentation Problem Based Learning	1
36.	KRITVEDHAN	Discuss the introduction of dravaya along its uses and yog	Brief introduction Synonyms Uses Yog	Didactic Power point Presentation Problem Based Learning	1
37.	SHYAMA-TRIVRITT	Discuss the introduction of dravaya along its uses and yog	Brief introduction Synonyms Uses Yog	Didactic Power point Presentation Problem Based Learning	1
38.	CHATURA-ANGULA	Discuss the introduction of dravaya along its uses and yog	Brief introduction Synonyms Uses Yog	Didactic Power point Presentation Problem Based Learning	1
39.	TILVAK	Discuss the introduction of dravaya along its uses and yog	Brief introduction Synonyms Uses Yog	Didactic Power point Presentation Problem Based Learning	1
40.	SUDHA	Discuss the introduction of dravaya along its uses and yog	Brief introduction Synonyms Uses Yog	Didactic Power point Presentation Problem Based Learning	1
41.	SAPTALA-SHANKHINI	Discuss the introduction of dravaya along its uses and yog	Brief introduction Synonyms Uses Yog	Didactic Power point Presentation Problem Based Learning	1
42.	DANTI-DRAVANTI	Discuss the introduction of dravaya along its uses and yog	Brief introduction Synonyms Uses Yog	Didactic Power point Presentation Problem Based Learning	1
43.	KALPANA-SIDHHI	Explain the various types and principles of panchkarma	Introduction of Panchkarma	Didactic Power point Presentation Problem Based Learning	4
42.	PANCHA-KARMIYA	Describe the details of diseases which	Diseases suitable and unsuitable according to	Didactic Power point Presentation	3

		are suitable and unsuitable	panchakarama	Problem Based Learning	
43.	VASTI-SUTRIYA	Explain basti, its matra, yogya and ayogya.	Detailed description of basti and instruments used and method	Didactic Power point Presentation Problem Based Learning	4
44.	SNEHA-VYAPADIKI	Name the different kind of basti and their ingredients	Description regarding sneh- basti Uses Treatment	Didactic Power point Presentation Problem Based Learning	3
45.	NETRA-VASTI-VYAPADIKI	Explain the complication regarding netrabasti	Complications and treatment	Didactic Power point Presentation Problem Based Learning	3
46.	VAMAN-VIRECHAN-VYAPAT	Explain all the possible complications of vaman and virechan	Description about vaman and virechan their uses complications and treatment	Didactic Power point Presentation Problem Based Learning	3
47.	VASTI-VYAPAT	Give the detailed description about complications of basti	Types of basti Number of basti Causes Complications treatment	Didactic Power point Presentation Problem Based Learning	3
48.	PRASRIT-YOGIKA	Explain the prasrityogikabasti, its methods and uses	Description about prasritbasti	Didactic Power point Presentation Problem Based Learning	3
49.	TRIMARMIYA	Explain trimarm and how basti is applied	Trimarmiya diseases and treatment	Didactic Power point Presentation Problem Based Learning	3
50.	VASTI-SIDHHI	Give the detailed description of vasti	Best basti description	Didactic Power point Presentation Problem Based Learning	3
51.	PHAL-MATRA	Explain about phal-matravasti its benefits and uses	Basti for animals as well as children	Didactic Power point Presentation Problem Based Learning	3
52.	UTTAR-VASTI	Give e	General description about basti	Didactic Power point	3

		explanation about uttarvasti, its mehods and uses		Presentation Problem BasedLearning
